STAR JASMINE'S HANDICAP

McDOWELL MARE SHOWS HIGH-CLASS PER FORMANCE AT LATONIA.

Gets Up to Beat Hawthorn in Hot Finish in Spite of Having Lost Much Ground by Going Wide -Derby Candidate Goes Wrong.

Cincinnati, O., June 11.—T. C. McDowell's speedy mare, Star Jasmine, came right back with a first-class performance at Latonia today and again scored over Hawthorn in the handicap at three-quarters of a mile that featured the card. Great Britain was third. Star Jasmine's race was by far the best of the present meeting for she ran the three-quarters in 1:11½ over a track that was not at its best. She was also subjected to an ili-judged ride which cost her much ground on the stretch turn, where Martin took her wide. Hawthorn was favorite for the race, with Great Britain next in demand. The Buschemeyer gelding showed the most early speed and seemingly had his opposition well beaten at the last furiong post in the stretch, but Star Jasmine moved up with great determination, and, under punishment, gassed the favorite to win comfortably by a length, Great Britain still appeared high in flesh and it is itsely that he was short.

Jackey Dishmon, who fell with T. P. Hayes' colt.

Jockey Dishmon, who fell with T. P. Hayes' colt, Jockey Dishmon, who fell with T. P. Hayes' colt, Jockey Dishmon, who fell with a bruised hip, which will keep him out of the saddle for a few days. The colored rider attributed the fall to Jockey Martin's rough riding and the stewards promptly suspended the offender for five days. The race farnished an additional surprise in the victory of Dengro at long odds. The change from Haynes to Connelly worked a vast improvement in Dengro's running, for he showed good speed from the start and fought it out gamely with Martinos near the end.

ruming, for he showed good speed from the start and fought it out gamely with Martinos near the end.

This was probably the hottest day of the season bin a large crowd was on hand to wliness the sport. Speculation was also of improved volume, the total showing a substantial increase over former days, except the opening one.

The intense heat that prevailed this morning dried out the track so much that it was in good shape by race time. Favorites accounted for the first two races, but thereafter they were heaten and the closing dash when Sam Hirsch staggered home a nose in advance of Be, with Transportation a supposed "good thing," a stinilar margin behind. Sam Hirsch was in for \$400 and was bid up to \$500, at which figure he was bought by J. D. Misick, who will ship him with several others to engage in benver racing.

Star O'Ryan was on his good behavior this afternoon and made a show of a fair lot that started in the fifth race, for which T. M. Green was the favorite. The latter might have won had the favorite. The latter might have won had the favorite. The latter might have won had the favorite strong urging.

Derby trials this afternoon by prospective starters in the rich fixture to be run next Saturday came in for a good deal of attention. Belloc was sent a mile and a quarter and immediately after the finish he staggered and barely saved himself from falling. An examination disclosed that he had badly bowed his front tendons, which, of course, will put him out of commission for some time. Dr. Samuel was sent a mile in 1:42%, slowed to a canter. John Gund, hard held, next went one mile and a quarter in 2:07%. Close observers now consider him as having an excellent chance to win the rich prize. He will be ridden by jockey Neylon. Jack Keene contemplates starting Cassarina in the race. Ivan Gardner will also be among those that will try for the honors. The latter will be handled by Dishmon if he is in riding shape by Saturday. Keogh will have the mount on Bronzewing.

wing.

As a result of today's runup there will be seven races on Saturday. The extra race will be at one mile and a sixteenth for three-year-olds and over.

Secretary E. W. Maginn arrived this afternoon from St. Louis, where he has just passed through a long siege of illness. The hard-working official appeared in robust health and at once took up his duties.

Jessie Louise and Dengro, the winning two-horse combination, yielded \$118,00, while Star Jasmine, Star O'Ryan and Sam Hirsch paid \$148.95 to their backers.

ROCK VIEW IS TOBOGGAN WINNER.

August Belmont's Colors Carried to Victory in Important Stake at Belmont Park.

New York, June 11.—The Toboggan Handicap, today's feature race at Belmont Park, saw one of the largest fields of the present meeting go to the post, including most of the best sprinters in training. In a terrific stretch drive, in which his gametress was put to a crucial test, August Belmont's Rock View got the verdict by a short margin over the lightly weighted Figinny. Rock View, somewhat outpaced in the early stages, raced up to the leaders in the final quarter and, joining issue with friginny at the eighth post, triumphed in the final strides. Ten Point, making his first start of the year, took the short end of the purse.

Perth Rock took the first race easily. The favorite, Oakhuest, failed to run up to his best form and seemed inclined to sulk. Busy Edith was the medium of a plunge in the second, but she failed to cut any figure in the running of the race, which Lady Rotha won in handy fashion. Only three went to the post in the Belmont Military Handicap and Water Welles was an easy victor with Capt. C. K. Rockwell in the saddle.

Shannon River, running to his best form and displaying high speed, took the steeplechase in casy style over Merry Task. Shannon River was sent to the front by Allen and was first over every burdle. Merry Task made a couple of bad landings.

Luke McLuke, after working a mile and a quarter in 2:07.5, was shipped tongint by James Rowe to Albert Simons at Montreal boryal Derby in the name and interest of J. L. Holland, Jockey Buxton will ride him. Black Broom, also a Derby candidate, was sent to Montreal by trainer Rowe.

W. Shields will train the horses that Miss A. M. Marrone purchased today at the Holland sale,

at Dorval—Gossip of Tomorrow's Derby.

Montreal, Que., June 11.—A Canadian owner, C. S. Campbell, furnished the winner of today's feature race at Dorval Park, the Caughnawaga Handicap, in Bwana Tumbo, a horse bred in the Province of Quebec. Bwana Tumbo showed a good performance in today's effort. He ran close up to the pacemaker in the early stages and, after disposing of the speedy Pan Zareta in the homestretch, lasted to beat the fast closing Sherwood a head. The latter, one of the most consistent horses on the turr, inished full of vim and in the last sixteenth was gradually wearing the winner down. As Cabaret, tlarry Payne Whitney's racer, was moving up into a contending position, he suffered a hemorrhage and nis rider ensed him up. The horse was going well at the time of the mishap and would undoubtedly nave been a keen factor. The pace was fast hroughout and the six furlongs in 1:14½ marked a new track record for the distance.

The colors of H. G. Bedwell were carried to victory by Early Light and Briar Path, both of which were ridden by Taplin, Early Light's margin over Great Friar was only a neck, but Briar Path had plenty to spare at the finish of her race.

Nightstick made a show of the lot he was asked to meet in the closing dash, which he won in runaway fashion. It was a profitable day for the followers of favorites, the afternoon's results showing five of the choices first at the finishes.

Pleasant weather and the good card offered drew out such a large attendance that it became necessary to run an extra special train, which will be continued during the remainder of the meeting.

Albert Simons arrived from Belmont Park this morning with Black Broom and one or two other acres. Black Broom will be H. P. Whitney's representative in the \$20,000 Derby to be run on Saturday. In his last trial, Pennant pulled up ame and trainer James Rowe thought it wise to the up on the horse. Premier Asquith announced in the house of com-

ment in Cuba.

Premier Asquith announced in the house of commons his intention to introduce the promised measure to amend the Irish home rule bill before any further progress is made by the house of lords with the second reading of the main measure. The unionists thus have won the day with their insistent demand that he should take this action. The lords will be free to change the amending bill as they think proper and it is assumed that they will insert provisions for the unconditional exclusion of Ulster from the operation of the irish home rule bill and also for the protection of the protestant minority in the rest of Ireland.

NOTES OF THE TURF.

Races 14715 and 14719 were run over the straight burse at Belmont Park.

Jockey J. Butwell is suffering from torn liga-ments in both legs, received in a fall.

Merry Papoose, the dam of E. F. Condran's Sixty Four, which won the first time he started, at Belmont Park Thesday, was bought with several other cheap mares at the fall sales in Kentucky three years ago by a gentleman from Philadelphia who needed some mares to use for breeding mules and purchased several for a low figure. Sixty Four was a suckling at her side and went with her,

GOSSIP AND COMMENT FROM KENTUCKY.

Cincinnati, O., June 11.—If E. R. Bradley has a starter in the Latonia Derby, Saturday, it will be his black colt Black Toney. The son of Peter Pan has been doing well in training recently and it is the belief of trainer Hammon and owner Bradley that he will run a good race. Mr. Bradley keenly regrets that his other four eligibles to this rich stake—Bradley's Choice, Boots and Saddle, Bushy Head and Beach Comber—are not in condition to fill their engagements. He believed earlier in the season that one of his crack two-year-olds of last year would be among the greatest three-year-olds at a mile and a half during the present racing season, but bad luck in training has placed his stable in a position that if his colors are represented in the Derby at Latonia this season it will have to be by Black Toney.

ing the present racing season, but bad luck in training has placed his stable in a position that if his colors are represented in the Derby at Latonia this season it will have to be by Black Toney.

Trainer Dan Lehan looks for Bronzewing to run her race in the Derby. Both he and owner A. P. Humphrey, Jr., believe she will show one of the greatest mile and a half races ever run at the Kenton County track.

Manager John Hachmeister has the stage completely set for the running of Latonia's premier race. He expects a record-breaking attendance, and has made every provision for the comfort and convenience of the enormous crowd that is sure to gather for the running of the big event this year. Tickets for boxes may be secured on the Cincinnati side of the river at Henry Straus' store on Vine street. The demand for such reservations has been unprecedented in the thirty-two years' history of the Latonia track.

Extra betting machines will be provided for the accommodation of turf speculators on Derby Day. The usual preliminary pools, straight, place and to show, will be in operation at the track at 1 o'ciock and tickets on the Derby, of the \$2\$ variety, straight, place and show, will be sold right up to the time that horses go to the post for the race.

Latonia racing, under its present management, has expanded with each succeeding season. The racing public throughout the country, as well as locally, in Cincinnati and the surrounding territory, have confidence in the sport as now conducted at the great track on the Ketucky side of the Ohio, and they go to the course expecting to enjoy as brilliant sport in the line-of racing as is to be found anywhere in America—and do. All the latest and up-10-date methods for the conduct of the sport are employed at the Latonia track, and the stakes and purses are of such value that in spite of the attractions in a racing way in New York and Canada, Latonia still holds many of the best horses in training and crack riders. One great feature at the beautiful course is the endichment of

DURBAR'S RAPID RISE TO HIGH FAME.

Mr. H. B. Duryea's Durbar II., which avenged the Derby defeats of Jardy, Vinicius, Gouvernant, Bucentaure, Reuil, Gouverneur, and other French aspirants to victory in the world's greatest classic, is a colt by Rabelais out of Armenia. A great long list of engagements was made for him. As a matter of fact, he was one of the most heavily engaged animals to be found in the 'Calendar.' His performances last year, however, seemed to falsify the good opinion previously formed, and his was destined to leave his mark on history as a winer of the Epsom Derby. To be more precise, Durbar II. made seven appearances as a two-year-old and on only one occasion was he placed.

This season, however, the colt early demonstrated that he had made considerable improvement, and his style of winning the Prix de St. Cloud created a good impression. It was recognized, perhaps, that his opponents did not include anything out of the common; but the son of Rabelais could on more than make all the running and win comfortably. Another taking performance was that in the Blennial at Longchamps on the last Sunday in April. While in the previous year he was reach however, had some difficulty in resisting the attentions of Kummel, and the official verdict in his favor was only a head.

A week later he won the Prix Noailles, a race, however, had some difficulty in resisting the attention of being the champion two-year-old of France in 1913. Despite the convincing character of the victory above mentioned, it was stated at about send our Paris correspondent, in commenting on the statement, hinted that English owners with horses in the Derby had reason to be relieved of anxiety as the result of Mr. Duryea's decision. Here he disappointed, failing to reach the leading three, though on his behalf it was conceded that he had none the best of the luck. The colt was sent over last week, notwithstanding his unexpected defeat in the race alluded to; and the sequel to his visit is now writ large in the history of the Blue Riband of the Turf.—London Sporting Life of May 28.
